North Brentwood Centennial Year

Mayor's Message

There's been a lot to celebrate during North Brentwood's 100th year, and the grand reopening of Sis's Tavern is one of this year's crowning achievements. We've worked to honor the legacy of Sis's amidst renovations, securing permits, and hiring an events planner... Now, it's time to gather at Sis's anew (at 4516 41st Avenue on Saturday, September 14, from 2 to 6 pm), to see the space, enjoy refreshments and music—and to book your upcoming family and business events. Read more about the tavern's history on page two of this newsletter.

Speaking of local businesses, in August, the Town hosted the first meeting of the newly-formed North Brentwood Business Association. This meeting marks a new era for North Brentwood, bringing together local entrepreneurs, small business owners, and community leaders, with a shared vision of fostering economic development and strengthening ties between residents and businesses. More details are on page three.

In more Town business, the Mayor and Town Council meetings resumed on Tuesday, September 3, after a summer break in July and August. The next meeting is on September 16 at 7:30 pm, at NBCC and on Zoom.

On another topic, with our kids back to school, the Town Council and I wish all children a successful, safe year (see page four of this newsletter). If you are home when you see our community's children going to and from school, please keep an eye on them. We all must work together.

Lastly, this month marks important acknowledgements of democracy, peace and cultural inclusiveness. On the

Marie "Sis" Walls ran her tavern, in North Brentwood, MD, from the 1950s until 1970; it was a late-night destination for famous Black performers.

15th of September, the International Day of Democracy, free-governments review the state of world democracy and globally-shared principles (e.g., climate change, gender equality, and human rights). World Peace Day, aka The International Day of Peace, is a United Nations sanctioned holiday on September 21. The 2024 theme is "Cultivating a Culture of Peace," marking the 25th anniversary of the UN General Assembly's adoption of the Declaration and Programme of Action on a Culture of Peace. As well, Hispanic Heritage Month (Sept. 15 to Oct. 15) honors the rich histories and vibrant cultures of US Hispanic and Latino communities. See page six for info about local celebrations of Hispanic culture.

Sis's Tavern History

Sis's Tavern was built in 1912 and was originally operated as a grocery by Thomas F. Randall, of the Randall family who were the first residents of North Brentwood. In 1919, it was sold to Jeremiah Hawkins; he led the effort to make North Brentwood the county's first African American incorporated town, and served as its first mayor.

Interestingly, the grocery had a covenant which prohibited alcohol sales, if the original owner, or descendants, lived within half a mile of the site.

The building was leased in the 1950s to Marie "Sis" Walls (on right), who ran it as a tavern after the covenant expired. Walls later purchased the tavern, in 1966, and continued operating it until it closed in 1970. The tavern was a North Brentwood fixture and attracted well-known Black performers, who stopped at Sis's after playing shows in Washington DC.

In 1978, the tavern was reopened as Baby Dee's Guest Club. (A 1920s addition to the building housed a barbershop that also operated there, until 199, 6 when Baby Dee's closed).

Renovations to Sis's Tavern began in the 2010s, led by the Town of North Brentwood and the Hyattsville Development Corp., with the support of local, state and federal grant funding.

Through the building's iterations, it's always been operated by and for North Brentwood's Black, and diversifying, community.

North Brentwood Business Association: New Chapter in Local Economic Growth

Our historic Town of North Brentwood recently reached a significant milestone with its first-ever business association meeting. Held in the heart of North Brentwood, the meeting was attended by a diverse group of business professionals eager to collaborate and build a more vibrant local economy.

The formation of the North Brentwood Business Association was driven by a collective desire to create a supportive network, where businesses could thrive and contribute to the community's growth.

During the inaugural meeting, attendees discussed key issues facing local businesses, such as marketing strategies, attracting new customers, and navigating the challenges of a changing economic landscape. The gathering also provided an opportunity for business owners to share their experiences, exchange ideas, and explore potential partnerships that could benefit the entire Town and surrounding areas.

The establishment of this business association is not just about economic growth; it's about building a stronger, more connected community. By working together, members of the association aim to enhance the Town's commercial environment, attract new investments, and ensure North Brentwood remains a place where local businesses can flourish.

As the North Brentwood Business Association continues to evolve, it is poised to become a driving

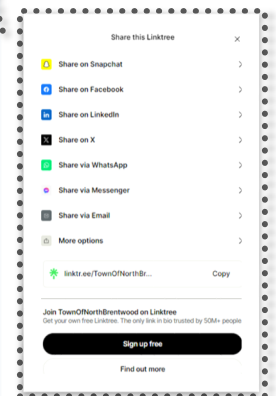

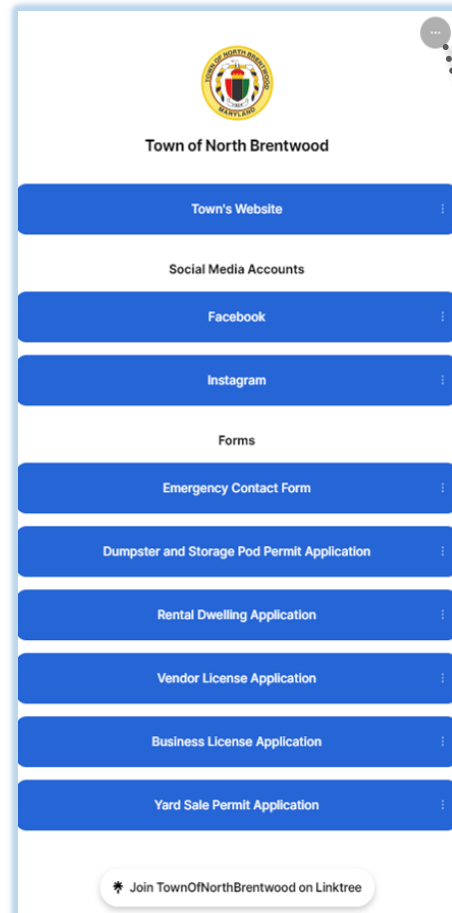

force in the Town's ongoing development, offering a unified voice for local businesses and a platform for innovation and collaboration. This first meeting is just the beginning of what promises to be a bright future for North Brentwood's business community.

To sign up for Business Association updates, go to northbrentwoodbusiness.com.

Have You Used North Brentwood's Linktree Communication Tools Hub?

There's now one point of access for North Brentwood's website, social media accounts, and online forms and permits. (For forms requirement payment by check, bring the form and payment to the Town Office.)

To get to the online hub, just scan the QR Code (on right), or type "https://linktr.ee/TownOfNorthBrentwood" into a web browser.

And, you can share the Linktree via social media or email (select the "..." in the grey circle on the upper right part of the main Linktree screen).

Back to School Safety

Though school has started, it can take a little time to get ourselves mentally in gear for another great school year. Lowering your speed is the best way to prevent accidents and keep yourself and school kids safe. This is especially important around crosswalks when school is in session.

Speed Limits: The speed limit in North Brentwood is *20 MPH*. In addition, school zones are marked with flashing signs. These flashing lights start 30 minutes before school and remain on 30 minutes after dismissal. Do not ignore those signs, even if you don't see children crossing!

Stop Signs: Red stop signs are installed at locations where a full stop is necessary for everyone's safety. A full stop means your wheels stop turning and you feel the weight of your vehicle shift. Always assume the pedestrian will cross, whether or not they have the right-of-way. Parents should remind their children to make sure cars have stopped before entering the street, and to wait for crossing guards to wave them across a guarded crossing.

School Buses: Many drivers get confused about when they have to stop and when they can pass a school bus. Drivers must stop when the red lights are flashing on a school bus, when there are no raised medians or walls between their travel lanes and the school bus.

Safe Stopping: Some drivers stop in the middle of the roadway to load and unload passengers. This is extremely dangerous, especially if children exit on the roadway side of a vehicle. State law does not allow loading/unloading of passengers from a roadway. Please drop children off in designated Kiss and Ride locations, or from designated safe parking locations. Tickets may be issued for illegal parking in and around schools because of safety issues.

Get the Latest COVID-19 Vaccine

On August 22, the FDA approved and authorized the new 2024-2025 mRNA COVID-19 vaccines, stating everyone, ages 6 months and older, should get vaccinated. This includes those who've received COVID vaccines before and people who've had COVID.

The latest Moderna and Pfizer-BioNTech vaccines have arrived at pharmacies across the nation to address the summertime COVID infection surge; new vaccines target the KP.2 variant dominating cases, about 70% of US cases currently. "Make a plan now to get your updated vaccine in September or October, ahead of the expected increases in (COVID-19 and flu) this winter," says CDC Director Dr. Mandy Cohen recently said, per *Today.com*.

If your child has had:	Your child should get:
0 doses (never vaccinated)	2 doses of 2024-25 Moderna vaccine OR 3 doses of 2024-25 Pfizer-BioNTech vaccine
1+ doses of Moderna	1 dose of 2024-25 Moderna vaccine
1 dose of Pfizer-BioNTech	2 doses of 2024-25 Pfizer-BioNTech vaccine
2+ doses of Pfizer-BioNTech	1 dose of 2024-25 Pfizer-BioNTech vaccine

Hispanic Heritage Month

Hispanic Heritage Month, celebrated September 15 to October 15, honors the contributions, histories and cultures of Americans with ancestors from Spain, Mexico, the Caribbean and Central and South America.

President Lyndon Johnson initiated the observation in 1968 as Hispanic Heritage Week; it was expanded by President Ronald Reagan, in 1988, to cover a 30-day period starting on September 15 each year. It was enacted into law on August 17, 1988, on the approval of Public Law 100-402.

September 15 is significant: it's the anniversary of independence for Latin American countries Costa Rica, El Salvador, Guatemala, Honduras, and Nicaragua. Mexico and Chile's independence days are September 16th and 18th, respectively. As well, Day of the Races (Día de la Raza), which is October 9, falls within this 30-day period.

This year's theme, "Pioneers of Change: Shaping the Future Together," pays tribute to Hispanic changemakers in politics, education, science, the arts, sports... who shape the US's social and economic landscape. As we celebrate Hispanic Heritage Month in 2024, it's important to look back on the Hispanic contributions and history, but also to consider the future. How can we support and uplift these communities? How can we ensure the stories and voices of Hispanic Americans are heard and valued?

Voter Registration Requirements

As the November 5th General Election for presidential and congressional races nears, ensure you're registered to vote. Not sure if you are registered? Or at what address? Check your status at voterservices.elections.maryland.gov, or call 800.222.8683. To register, you must be:

- A Maryland resident
- 18 years old (a registered 17 year old may vote in the Primary Election, provided they will be *18 years old* on/before General Election)
- Not under mental disability guardianship, or, if you are, not found by a court to be unable to communicate a desire to vote
- Not convicted of buying or selling votes, or currently imprisoned for a felony conviction

Voting: Pretrial Detainees & Returning Citizens

Awaiting trial in detention. You're an eligible voter if you're in pre-trial detention and haven't been convicted of charge(s). Request an absentee ballot from administrators at your complex.

Misdemeanor convictions. These offenses do not disqualify you from voting. In Maryland, offenses that are not felonies are misdemeanors.

Felony convictions. If you were convicted of a felony (e.g., murder, robbery, weapons offenses) and *finished serving court-ordered imprisonment*, you're eligible to register to vote, even if on parole or probation.

Register/re-register to vote. You won't be added to the voting rolls, automatically, after serving a sentence. Use MD's Online Voter Registration System (OLVR) or go to campaignlegal.org/restoreyourvote. Send a paper application (see pages 9 and 10 of this newsletter) to the PG County or State Board of Elections; it must be postmarked by October 15. If your application is complete and you're found to be qualified, a Voter Notification Card will be mailed to you.

Homestead Property Tax Credit

To help homeowners deal with large assessment increases on principal residences, state law established the Homestead Property Tax Credit. The Credit limits the increase in taxable assessments each year to a fixed percentage, which, in North Brentwood, is 10 percent.

- ALL Maryland homeowners must submit a *one-time* application to establish eligibility for the credit: only *once* during your time in your property.
- The Homestead Credit does not limit the market value of a property determined by Department of Assessments and Taxation. Instead, it's a credit calculated on any assessment increase exceeding 10% from one year to the next.
- Before calling or emailing the Department, please check SDAT's Real Property search page to determine if you already have a Homestead Tax Credit on file. Find the status of your eligibility by looking up your property on: sdat.dat.maryland.gov/RealProperty.

Once you've accessed your property's page, the status of your Homestead application is located at the bottom of the page. A status of "Approved" or "Application Received" means no further action is required.

- If the status of your property says "Homestead Application Status: No Application," you must file an application.
 - **File online.** For fast service, go to Maryland One Stop, a portal for state agencies with one simple login, and no need for an access code to fill out a one-time form. Go to: onestop.md.gov and browse by State Agencies. Then, select Department of Assessments & Taxation and click on "Homestead Tax Credit Eligibility Application."
 - **Paper application.** Alternatively, you can complete and submit the paper application on pages 11 and 12 of this newsletter. Or, go to: dat.maryland.gov/SDAT%20Forms/Homestead_application.pdf to download it. Fax completed paper applications to 410.225.9344, or mail to: Department of Assessments and Taxation, Homestead Tax Credit Division, 700 East Pratt Street, 2nd Floor, Suite 2700, Baltimore, Maryland 21202.

Questions? Call 866.650.8783, or email the Homestead unit at sdat.homestead@maryland.gov.

! AFTER THIS FORM IS FILLED OUT, YOU MUST SIGN AND MAIL IT TO YOUR COUNTY BOARD OF ELECTIONS. IT CANNOT BE PROCESSED IF IT IS FAXED OR E-MAILED, BECAUSE IT REQUIRES AN ORIGINAL SIGNATURE.

2024 Homeowners' Property Tax Credit Application HTC-1 Form • Filing Deadline October 1, 2024
Apply Online for Faster, Easier Filing & Status Updates: <http://www.taxcredits.sdat.maryland.gov/>

The State of Maryland provides a credit for the real property tax bill for homeowners of all ages who qualify on the basis of gross household income. For more information, please visit our website at <https://dat.maryland.gov/Pages/Tax-Credit-Programs.aspx>

Eligibility

Actual taxes eligible for this credit do not include fixed metropolitan charges which may appear on the tax bill for such services as sewer, water, or improvement repayments, and do not include taxes for excess land acreage, other buildings or portions of buildings used for business purposes. Property owners with large tracts of land will have the credit limited to the amount of taxes on land necessary for the residential dwelling and does not include excess acreage. The credit shall be limited to the portion of the dwelling that is used only for the applicant's residential purposes. An application may be subjected to an audit at any time and applicant may be requested to submit additional verification or other evidence of income in order to substantiate the application for the property tax credit.

Requirements

Applicant(s) must satisfy four (4) legal requirements before eligibility can be considered:

1. The dwelling for which the application is being made, must be the applicant's principal residence. Applicant resides or expects to reside for more than six (6) months of the tax year, including July 1, 2024, unless unable to do so for reasons of illness, need of special care or the property was recently purchased. An individual who permits, pursuant to a court order or separation agreement, a spouse, former spouse, or children of that person's family, to reside in a dwelling in which the individual has a legal interest, has met the residency requirement. A homeowner may claim credit for only one principal residence.
2. Applicant must have legal interest in the property. Land installment sales, contract purchases, holders of a life estate and beneficiaries of certain trusts have sufficient legal interest.
3. Net worth, excluding the value of the property for which the credit application is being made and the cash value of IRAs or qualified retirement savings plans, must not exceed \$200,000, as of December 31, 2023.
4. Combined gross household income cannot exceed \$60,000.

If all four requirements are met, the amount of tax credit due, if any, will be calculated on the basis of the gross household income for calendar year 2023.

Limitations

The lesser of \$300,000 or the total assessed value minus any Homestead credit, shall be used for calculating taxes eligible for credit.

Important Filing Deadlines

The deadline for filing an application is October 1, 2024. However, if applicant submits a properly completed application by **April 15th, 2024**, and that application is not subject to an audit by the department, applicant will receive any credit due on the July 1, 2024, tax bill. A properly completed application means that all questions are answered, the form is signed, copies of the entire federal income tax return, schedules and forms, necessary Social Security form (SSA-1099), Railroad Retirement Verification or Rate Letter are all included, and applicant has provided responses to any subsequent inquiries made by the department in a reasonable timeframe. If the application is filed after April 15, 2024, applicant should not expect to receive any tax credit on the July 1, 2024, tax bill, and is advised to pay the tax bill to receive the discount for early payment.

How Tax Credits are Granted

By submitting this application, the applicant will receive one of the following:

- Credit directly on the July property tax bill if the application is completed properly and is not subjected to audit and is received before April 15, 2024; or
- A refund if the bill has already been paid; or
- Written denial stating the reason for ineligibility.

County Supplemental Tax Credits

Supplemental tax credits are available to eligible homeowners in Anne Arundel Co., Baltimore City, Baltimore Co., Calvert Co., Caroline Co., Carroll Co., Charles Co., Frederick Co., Garrett Co., Harford Co., Howard Co., Kent Co., Montgomery Co., and Washington Co. The supplemental tax credits are administered by the State of Maryland Homeowners' Tax Credit Program. To apply for the state tax credit and/or county supplemental tax credit, applicants are only required to submit this application form (Form HTC-1). Some applicants may be eligible for a supplemental tax credit even though they may be ineligible for a state credit based on income.

Honoring 9/11 through a Lifetime of Service

As we approach the 23rd anniversary of September 11, 2001, the significance of the attacks, in NY, DC and PA remains as profound as ever. The events of that day not only reshaped American society, but also altered the global landscape in ways that continue to resonate today. In 2024, remembering 9/11 serves as a powerful reminder of the resilience, unity, and strength that emerged from one of the darkest moments in modern history.

The immediate aftermath of 9/11 saw a nation in mourning, grappling with the loss of nearly 3,000 lives. Yet, it also inspired an unprecedented outpouring of solidarity, within the United States and across the world. The attacks, intended to sow fear and division, instead catalyzed a wave of collective resolve to uphold the values of freedom, democracy, and human dignity.

In the years since, the legacy of 9/11 has influenced policy, security, and international relations. It led to the creation of the Department of Homeland Security, changes in airport security protocols, and the passage of the USA PATRIOT Act, all aimed at preventing future acts of terrorism. On a global scale, it spurred international efforts to combat terrorism, although not without controversy and challenges.

For younger generations, who did not experience 9/11 firsthand, the day remains a pivotal chapter in history. It is a symbol of the importance of vigilance, the cost of complacency, and the enduring need for global cooperation in the face of threats to peace and security. Educators, historians, and families play a crucial role in passing down the lessons of 9/11, ensuring that its significance is not lost with the passage of time.

In 2024, as we remember 9/11, we honor the lives lost, the heroes who emerged, and the enduring spirit of unity that arose from the tragedy. It is a day to reflect on the progress made in the fight against terrorism and to recommit ourselves to the principles of justice, peace and human rights that were so deeply challenged on that fateful day. The memory of 9/11 continues to serve as a beacon of resilience and a reminder of the importance of standing together in the face of adversity.

Patricia Robinson

A Nice Way to Commemorate

Each year, the 9/11 Memorial & Museum, in NYC, produces the 9/11 Anniversary Digital Learning Experience, a 30-minute film with first-person accounts of the attacks and aftermath, teaching unity, resilience and hope. More than 4 million students, from all 50 states and more than 60 countries, have participated in this poignant online and interactive program.

In addition, the 9/11 Memorial & Museum and AMC Theatres launched Anniversary in the Theater nationwide—from September 3-11, civic organizations may organize free screenings of the 2024 film at any AMC theater. By registering, teachers preview content before classroom discussions, parents see what kids are learning to prepare for difficult talks at home, and communities can come together. Watch the 2024 film trailer, and request a screening, at 911memorial.org/amc-registration.
