Your Candidates for North Brentwood's Municipal Election: May 6, 2024

Cast your ballot on May 6, 2024, from 1 pm to 7 pm, to elect two Council Members — at the Town Office, 4009 Wallace Rd. Election Judges Connie Alexander, Paulette Price and Yvonne Howard have certified each petition for Town Council. This certification permits candidates' names to be placed on the ballot. Nominees are below:

Jacqueline Morales, Seat I

Councilmember-elect Morales was raised in Laurel; but, has been a North Brentwood resident since 2000.

Jacqueline truly believes in service! She served in the US Army for three years; her civilian career in government spanned 30-plus years, stateside and in Panama (Canal Zone), including employment at: Fort Belvoir, the Army's Total Personnel Center, the Pentagon, and the Missile Defense Agency as a Congressional Analyst.

As a North Brentwoodian, Jacqueline is engaged in civic affairs as a Historical Society member and Treasurer, and volunteer for the SHARE Food Distribution Program.

Jacqueline is eager to be on the Town Council: she is passionate about supporting those working to sustain this historic community and the wellbeing of its citizens.

Evan Dame, Seat III

Since 2017, Dame has served on the Town Council. He's helped obtain one of the area's highest Census Response

rates, increased civic engagement among new/veteran residents, elevated the Town's visibility via social media, and pioneered historical Town preservation projects (e.g., the 2022 archeology dig) with UM College Park.

Evan has served on boards and committees for: MD Municipal League's Engagement/Outreach, Gateway CDC, PG's Municipal Association, NBCA, PG County's Complete Count; and, most recently, as Vice President of the North Brentwood Historical Society.

Evan works to make North Brentwood an example of diversity and preservation: embracing the changing Town demographics, while safeguarding its rich history.

Voting in Town Elections

To vote in the Town Election you must be: a US citizen; at least 18 years old; a resident (within the corporate limits of North Brentwood for 30 days immediately before the election); and a qualified PG County voter. If you're not sure you're registered, check with the County Board of Elections: voterservices.elections.maryland.gov/votersearch.

Absentee ballots: call Town Board of Elections Supervisor Constance Alexander, 301.864.9077, for an application. After your application is received, you'll get further instructions. For more info call the Town Clerk at 301.699.9699.

To the Residents of North Brentwood:

I want to take a moment to reflect on the privilege it has been for me to serve this amazing community. Over the past I guess seven to eight years, I have worked alongside amazing individuals and I witnessed the incredible spirit of the Town of North Brentwood.

It has been a true honor to be a part of initiatives that have positively impacted lives and strengthened the fabric of our community.

After much discernment, I have decided not to run for reelection. While this particular journey may be coming to an end, I am confident the Town of North Brentwood will continue to not only endure but flourish under the future leadership. I encourage each and every one of you to remain actively engaged in the governance and development of our Town, as your voices and contributions are necessary to our success.

As I move on from this role, I want to express heartfelt gratitude to all of you for your support, feedback and collaboration throughout my tenure. Serving as your Councilmember has been deeply rewarding and extremely humbling. I am grateful for the knowledge and experience I've gained; and, not only that, I'm grateful for the opportunity to have played a small role in this chapter of the history of North Brentwood.

Thank you all for entrusting me with this responsibility, and I look forward to continuing to support our community in new ways in the future.

Gratitude, *Charles*

Charles Wiley has been a North Brentwoodian since 2012, and was first elected to the Town Council in 2016. One of his most notable accomplishments on as a Council member was bringing a multifaceted mosquito control program to residents.

A proud graduate of DeMatha Catholic High School, he was part of its first student government, and a stellar track and field/basketball/football athlete. He returned to coach football at DeMatha for 19 years.

Councilmember Wiley has three beautiful daughters; he married his wife Erin in 2010. Professionally, he works with autistic children.

Jacqueline Goodall: Town Manager Report, March 18, 2024

4506 Rhode Island 'Entrepreneur Park'

On March 20, J & G Landscape, the contractor, members of NDC, concept design and common resilience partners, as well as special project partners, will have a pre-construction meeting — to kick-off the beginning of park construction (estimated to take about six weeks).

This part of the project is being paid with funds from the Dept. of Housing and Community Development. The next phase of the park project, of purchasing benches, doing landscaping and installing the walkway, will be funded through a Maryland Department of Natural Resources Open Space grant.

(History note: The Town of North Brentwood owns the site of the former Henry Randall House. The grounds were excavated by an archaeology team, in June 2022, to further explore its history. Future plans for the site include the construction of Entrepreneur Park to honor the rich tradition of Black enterprise in North Brentwood, from the first entrepreneur, Mr. Randall, to those who followed: Mamie Dimes, Martha Holmes, Marie Alice Walls, and all current area entrepreneurs.)

Sis's Tavern Update

Sherletta Hawkins is Sis's Tavern new event planner. Her main responsibility will be to handle renting and management of the Tavern, working closely with Mayor Robinson and myself.

Contact her for applications, costs and other rental info. Her email is eventplanner@northbrentwood.com; her phone number is in the Town Directory on the back page (page 16).

Windom Road Barrier

The Department of General Services has finally given us approval to proceed with the Windom Road project; the Town has approximately \$138,000 remaining from the 2019 bond bill. The RFP for the work on North Brentwood's portion will go out in the next week or so. Specifically, I'm seeking construction services bids to remove existing asphalt pavement, and install a permeable, interlocking unit pavement system, tree planters and a sculpture foundation.

*Update: the RFP is posted on northbrentwood.com/jobs. We held a pre-bid meeting on Tuesday, April 9 at 11:00 am in the Town Hall.

In the meantime, dead/dying trees were removed from the alley (next to the barrier) to prevent further damage to the adjoining property (3816 Windom Rd). LGIT paid the claim for the repairs to the damaged fence and deck of the property from a fallen tree; the Town paid the deductible. I suggest we consider adding a small seating area, at the barrier, and planting understory trees. This will require the additional work of clearing the area of remaining overgrowth.

Buy Local: Gateway Farmer's Market

A new farmer's market will open in Brentwood in early May. The Gateway Farmers' Market will take place at the Bunker Hill fire station's parking lot (3716 Rhode Island Ave) on the border of Brentwood and Mount Rainier. Each Saturday, as of May 4, the Market will offer regionally-grown foods and other products, from around the Route 1 corridor and nearby MD and PA farms.

Local vendors will include: the Riverdale Park bakery Manifest Bread, Hyattsville Latin fusion restaurant Cocineros, Mount Rainier juice and smoothie bar The Waterhole, Brentwood candle shop Purple Rose Wellness, and Zeke's Coffee, which also has a location in the Woodridge neighborhood south of Mount Rainier undergoing expansion.

Additionally, there will be meat and produce from: Singh Sugar Maple Farm in Marriottsville; Sharrah Orchards in Orrtanna, PA; Birdland Pastures in Manchester, MD; Hog Haven Farm in Goochland, VA; Garner's Produce in Warsaw, VA; Pecan Meadow Farm in Shippensburg, PA; Two Story Chimney Ciderworks in Gaithersburg; Tae-Gu Kimchi in DC; Finesse Essential Body in Upper Marlboro; and DC-based Jarabe Gourmet Pops, which sells Mexican-style ice pops called paletas.

The Gateway Farmers' Market will be open from 9 am to 1 pm Saturdays starting May 4.

April is Flood Awareness Month

Yes, we had Flood Awareness Week in March, but April is dedicated to flood *prevention*. Flooding is MD's top natural hazard: and an ongoing challenge in North Brentwood. You don't have to live near the water for your home or business to flood.

As climate change accelerates, flooding can come from regular rainfall, a tropical storm, winter ice melt that swells rivers, high tide overflow, or broken pipes. Be prepared! Use "Know, Plan, Act" to lessen flooding's impact on your family and community.

Before an Emergency

- Contact a local emergency manager to see if your home sits in a floodplain. If it does, consider elevating and reinforcing your home.
- Make sure your insurance policy covers flooding. Even renters are eligible for flood insurance.
- Elevate the furnace, water heater and electric panel in your home if in a high flood risk area.

- Build an emergency kit.
- Make a family communications plan.

During an Emergency

- Listen to the radio or local news for information.
- If you have time, bring in outdoor furniture and move essential items to an upper floor.
- Even six inches of moving water can make you fall: don't walk through it. Use a stick to check ground firmness.
- Do not drive into flooded areas. If floodwaters rise around your car, abandon the car and move to higher ground. You and the vehicle can be swept away quickly.

Nuisance Flooding Blitz: Building Community Resilience through Green Infrastructure

This project is engaging Brentwood, North Brentwood, and select adjacent communities to alleviate localized flooding problems experienced by property owners.

Continued from Page 8: Building Community Resilience through Green Infrastructure

This grant program (*for homeowners*) is funded by Prince George's County's Department of the Environment and administered by the Chesapeake Bay Trust, through the county's Stewardship Grant Program. Grantees are first come, first served based on prioritization of impact until the program closes in June 2025, or funding runs out.

Depending on the complexity of the site and device, a typical project will take two to four months to complete. Property owners will receive approximately \$6,000 toward landscape upgrades. Special consideration is given to residents with high-impact properties where a landscape upgrade could greatly benefit the community on a larger scale. There may be instances where none of the practices available under the pilot project are appropriate for your property, in which case your property would not be selected.

Remove Financial Barriers

The Nuisance Flooding Blitz free pilot program aims to incentivize private property owners by offering landscape upgrades and installation to reduce financial barriers.

Minimize Common Water Problems

A landscape professional will analyze your property and determine the suitability of landscape upgrades offered under this Nuisance Flooding Blitz program.

Improve Water Quality

This pilot will determine whether the cost-effective solutions minimize common problems experienced by residents/community, and inform future projects.

Increase Curb Appeal

By participating in this program, you'll reduce common flooding/drainage problems and improve the water quality on your property, which benefits you and your community.

BVFD #855 Recruiting Volunteers

Brentwood's Volunteer Fire Department was founded in 1923; our volunteers are an integral part of a combined (paid) system protecting five area towns and the surrounding PG County community.

Benefits & Incentives

We are located at 3716 Rhode Island Ave, near a major thoroughfare served by public transportation: close to major MD and DC universities, with off street parking.

Volunteering in Prince George's County offers a unique opportunity to work alongside some of the most diverse, highly skilled and brightest people in the fire service. The training and gear you receive are all free as a result of your participation. We teach teamwork, as a part of the training, to build professional relationships amongst coworkers and others we encounter in daily operations.

The potential is unlimited for gaining training, rank and more responsibility. We're an EEO and welcome all to our great team. For more info, go to: pgvolunteers.org/departments/brentwood-volunteer-fire-department.
