

Town of North Brentwood Snow & Ice Procedure

Standard Snow Removal Procedure:

When snow, sleet or ice is forecast for our area the town has contracted with Smallwood Ground Maintenance for snow removal. Councilman Baynes will be the contact person for any concerns.

At forecast of snow/ice accumulation it is necessary that the contractor treat the streets before icing begins. When Prince Georges County Schools are closed the town office will also be closed.

It is the residents' responsibility to clear the snow off their sidewalks in front of their homes within 24 hours after the snow falling ceases.

Parking

During the Snow Emergency the Mayor and Council require all citizens with driveways to park their vehicles in their driveways. This would help the contractor to clear the street properly. If you do not have a driveway, please adhere to the parking area notices and park on the correct side of each street. *Please park right wheels to the curve.* We know that there may be concerns about blocking driveways with snow when the snow plow comes through, but we must keep our streets clear. It is pertinent that all residents adhere to the rules so that it will be easier for all concerned. If you are able to help the seniors and your neighbors, please do. Any cars stuck in middle of the street or parked illegally during this time will be ticketed & towed away at owner's expense. I urge all citizens adhere to the rules and regulations provided to you at this time. North Brentwood is small and in order to make sure the Mayor and Council can give you the best we need our residents to obey the rules. Councilman Baynes is the contact person for snow troubles. **PLEASE HELP US SO WE CAN HELP YOU!**

<i>STREET NAME</i>	<i>PARKING SIDE (ODD OR EVEN)</i>
